

### What Practical Is Required?

AAOES Level 2 accreditation requires the Official to complete fifteen (15) days of practical prior to sitting the examination. A Level 2 or Level 3 Official must sign the card.

The Official must demonstrate that they have worked in at least three areas within the event discipline e.g. for Track – Umpire, Starters Assistant, Track Judge OR Photo Finish, Umpire, Starter. Whilst only three areas are required, it is preferable that the Official gains a broad practical experience.

In the case of Out of Stadia and Walks, the number of practical days for AAOES Level 2 has been reduced to ten (10) days due to the unavailability of meets incorporating these events. In the case of walks the Official must demonstrate that they have worked on both the track and the road and have taken on the role of Chief Walks Judge on at least two (2) occasions at local meets.

In addition to the practical, Officials must attend at least one seminar in the discipline. This should be written on this card before it is submitted.

### What Next?

Once you have completed the 15 days practical and at least one (1) seminar in the discipline, Officials should either scan or take a photo of the Practical Card and upload it to the eLearning system. Through the system, an email will be sent to the Administrator who will then check that you have completed the required practical before allowing you to complete the online exam.

The eLearning platform can be accessed via either of these websites:

- [www.athletics.com.au](http://www.athletics.com.au)
- [www.littleathletics.com.au](http://www.littleathletics.com.au)

### **INSTRUCTIONS TO CANDIDATES**

It is the Official's responsibility to arrange practical proficiency assessment at any competition, through an appropriate Assessor. The Official must inform the Assessor that they wished to be assessed **prior** to the start of the event so that the Assessor can effectively assess the competence of the Official. This is a **mandatory** requirement.

When all requirements are completed, a photo of this card should be uploaded with your application to sit the Level 2 exam.

#### **EVENT GROUPS:**

The elements within each Event Group are:

TRACK:	judging, timekeeping, umpiring, starting, photo finish, wind gauge
JUMPS:	long jump, triple jump, high jump, pole vault
THROWS:	shot put, discus throw, javelin throw, hammer throw
ADMINISTRATION:	recording, seedings/draws, announcing, meet management areas, call room, post event control
TECHNICAL:	equipment measurement, field event site layouts (all areas), equipment distribution
WALKS:	walk judge: track, and road, posting board, recording
OUT OF STADIA:	starting, umpiring, judging, recording, timekeeping, course setup
